

Revisions to COAAPS 2011-12

Below is the list of Civic Objectives and Additional Assessment Plans (COAAPS) that describes the revisions made to 2010-11 COAAPS for the 2011-12 program year. The majority of revisions clarify language to make the task clearer and easier to use or standardize the language across COAAPS. Agencies that used a COAAP in 2010-11 and will use it again in 2011-12 do not need to revise materials to reflect the revisions that clarify or standardize.

Revisions that change the nature of the COAAP, for example, by revising a passing score, are in bold. These revisions must be made by all agencies for the 2011-12 program year.

New COAAPS are also in bold.

If dash (-) is listed, COAAPS were reviewed but no changes were made.
